

NAVY CHILDREN SCHOOL, VISHAKHAPATNAM

KINDERGARTEN WING, DOLPHIN HILL

ACTIVITY REPORT FOR THE MONTH OF APRIL 2024

FIRST DAY AT SCHOOL

Children were welcomed by the Headmistress and the teachers. Various activities were conducted to acclimatize them to the new environment. Selfie boards were made to capture their first day at school.

WALK AROUND

As part of official walk around, Cmde.S Mahapatra, GBM President visited Naval KG Dolphin Hill on 3rd April. Mrs Rakhi Khanna, Headmistress, Naval KG Dolphin Hill showed the infrastructure and facilities and appraised him about the school curriculum and activities.

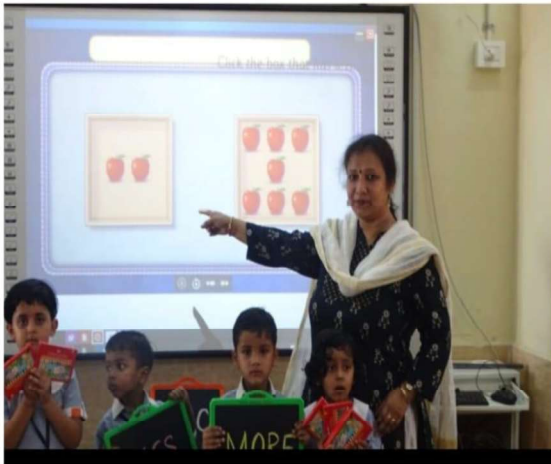

SHAPES & COLOURS

In April, Balvatika 2 students engaged in a vibrant exploration of shapes and colours through interactive activities. Each week, a new shape (square, rectangle, circle, triangle) and colour (red, blue, green, white, black) were introduced in an integrated teaching method, fostering hands-on learning experiences. Through crafts, games, and sorting activities, children not only identified shapes and colours but also developed fine motor skills and cognitive abilities. This immersive approach sparked curiosity and creativity, laying a strong foundation for future learning. By the end of the month, students demonstrated improved colour recognition and shape identification, showcasing the effectiveness of the engaging activities.

PRE- NUMBER CONCEPTS

The pre number concepts were introduced in April. A series of novel concepts such as (Big & Small, Full & Empty, Tall & Short, More & Less, Hot & Cold) were introduced on different days through integrated teaching methods. By participating in unique games and activities each child had the opportunity to actively involve and gain a hands-on experience. This methodology of learning enabled deeper understanding of these concepts.

COLLAGE

Collage with shapes and colours was done in the class in April 2024. It helps children to build fine motor skills. It's also a fun way to develop child's awareness of colour and texture.

SPLASH POOL ACTIVITY

Splash pool activities provide opportunities for children to interact with their peers, enhancing social skills such as sharing, taking turns and cooperation. This activity was conducted on 3rd April 2024. Students saw their reflection in water and happily splashed water also.

PAPER CRUMPLING ACTIVITY (MANGO)

Paper crumpling activity helps develop fine motor skills, hand-eye coordination, and muscle strength of the students. This activity was conducted on 5 th April 2024. Children enjoyed when they pasted crumpled paper on drawing of Mango.

LEMONADE ACTIVITY

A skill developing session was organised for the students on 5th April. During the session the teacher explained the procedure for making lemonade. The students were told to take an empty glass and fill it with water, then add half a tablespoon of sugar, squeeze half a lemon and add a pinch of salt. Now stir the mixture well till it is mixed properly and the lemonade is ready for drinking. The activity was focused on making children aware of intaking more fluids during summer season and also helping them learn how to prepare simple things like lemonade which can be a life saviour during severe heat.

FREEHAND DRAWING

Freehand drawing was done in the class in April 2024. It helps them to develop their fine motor skills, hand-to-eye coordination, and observation skills. It can also help them refine the basic graphic skills needed for learning to print letters and numbers.

NES INCEPTION DAY

On April 8, NES Inception Day was celebrated, emphasizing NES as a family fostering learning. Students learned about NES's vision, mission, and objectives. The program began with the recitation of Guru Brahma, followed by a performance of Saraswati Vandana by Balvatika-3 students. They expressed the importance of attending school. The event concluded with a spirited rendition of the song "School Chale Hum." Balvatika-2 engaged in a "I Love My School" coloring activity, while Balvatika-3 participated in a reading activity, "Reading is Fun."

EID- SPECIAL ASSEMBLY

EID special assembly was conducted on 11th April to introduce various religious festivals in our country and its importance. Various programs such as skit and dance were conducted by the children of UKG to convey the message.

NIMBU PANI ACTIVITY

Nimbu Pani activity enhances the motor skills of children through squeezing lemons and stirring the drink, while also promoting social interaction and teamwork. This activity was conducted on 12th April 2024. The pre number concept of full and empty was also integrated with this activity by showing full and empty glass of water.

EMOTIONS

Activity teacher conducted the activity in Balvatika III on 12th April on emotions. Teacher showed various faces of emotions like happy, sad and grumpy. Children were given the small circles and asked to make any emotion face they like. Children thoroughly enjoyed the activity.

WALK AROUND

On 16th April Cmde A Muthuraman, Vice Chairman, SMC,NCs(VZG) ;Cdr. Shalini Nair, Director NCS & Cdr. Devashish Jena,Director, NCS(Desig) visited the school and Mrs,Rakhi Khanna, Headmistress, showed the various infrastructure and appraised them about the various activities conducted in school.

TABLE MANNERS

Table manners activity was conducted for all Balvatika III classes on 16th April. Teacher explained the etiquette of eating on the table. They were taught how to spread the napkin on the table and keep the tiffin box on it. It helps them to learn to eat in proper manner.

SENSES

A special session on all five senses for the children was conducted on 23rd April. The teacher explained to the children all the five senses and made them aware of the importance of each one of them. The children were made to smell flower, touch soft and hard material and feel the same. In the similar way, all other senses were also explained to the children. At the end of the session the children appeared to be very happy knowing about the simple things and were observed to be involved playing different senses related activities.

STORY TELLING

LKG

" *The Fox & The Crow* " story was narrated by the teacher on April 15, 2024. Props were used, and the story was narrated effectively. Students were asked to narrate the story in their own words, fostering moral values. Students enjoyed the storytelling activity.

UKG

The Shepherd boy and the wolf story was narrated by the teacher on 17th April. Props were used, and the story was narrated effectively. Students were asked to narrate the story in their own words, fostering moral values. Students enjoyed the storytelling activity.

BEATING THE HEAT-WATER BREAK

Considering scorching heat and the heat wave that has been observed in the ongoing summer, a special session on the importance of keeping oneself hydrated at all times was conducted for the students. The students were told to consume more and more fluids during the summer season. The students were also intimated that water break will be there after every hour that is at 0900, 1000, 1100 and 1200. During water break all students drink water under the supervision of class teachers.

SERIATION AND SEGREGATION ACTIVITY

The seriation and segregation activity were done on 25th April with alphabets and akshars. All the Alphabets and akshars were mixed together and the children were asked to put them in order. The aim was to teach the concept through hands-on activity with physical objects.

SHOW AND TELL

In this activity students were shown various objects like book, bag, fruits, umbrella, toy etc. They were told to speak 2 lines about their favourite object. It helps them to enhance their vocabulary.
