ENVIRONMENTAL SCIENCE

God's precious gift to mankind is Nature. Nature has many things around us . Eg: trees,plants etc

Let's use this nature and make beautiful things from it.

Make 3 or 4 animals using dried leaves

MATHS

Representation of numbers using lines

Walk around your colony and count the number of trees such as mango, guava, blackberry, cotton or any others. Draw or stick pictures of 5 different types of fruits or trees and represent their numbers using lines. Also denote tens and ones place.

Eg:

T O

|||| | |||| | || = 14

विषय-हिंदी

A4 sheet पर आधे पेपर कप से गमला बनाकर उसमें रंगीन कागज़ों से फूल बनाइए और उनकी पंखुड़ियों में संज्ञा शब्द लिखिए -
