

QUARTERLY SCOOP

OCT - DEC
2022

E-NEWSLETTER, PRIMARY WING-NSB

Navy Children School, Nausenabaugh, Visakhapatnam

Principal Writes

"The ability to read, write, and analyze; the confidence to stand up and demand justice and equality; the qualifications and connections to get your foot in that door and take your seat at that table - all of that starts with education." - Michelle Obama

Dr. Parul Kumar

1. Everything may be split, but not your education. Education illuminates a person's mind and thinking. At NCS, we merely view obstacles as challenges, once overcome, they help us reserve a special status in our society and everywhere we aspire to go. Our ever cherishing moment is to sit among the league known as the Best School, by inculcating a higher rate of initiation to excel in all fields and to disseminate this learning model. Further, innovative techniques and research are adopted for effective digital classroom learning and implementation.

2. The pandemic exacerbated pre-existing challenges in education and created unique unwanted turmoils in teaching-learning. "Experiential" learning by facing challenges in real life is students' main goal of skill development. We strive towards longitudinal growth of student learning attributes. It includes physical fitness, initiative and enterprise skills, imagination, craftsmanship, self-discipline and compassion.

3. I believe by providing an independent, free and disciplined environment to students, we can strengthen them to face the world. The hallmark of success is hard work in this era of privatization and globalization. Neverforth, part of our goal is getting to know children outside of reading, writing and arithmetic; nevertheless, the best way to predict our future is to create it by exposing them to life-changing educational experiences.

4. Through cooperation, we anticipate forming a resolute character and a well-groomed personality with appropriate thoughts full of reason towards meaningful actions.

Let's join hands together for a successful tomorrow.....

Jai Hind!

(Dr. Parul Kumar)

Principal

Navy Children School

Visakhapatnam

Headmistress Writes

"Education is not the learning of facts, but the training of the mind to think." - Albert Einstein

Mrs. Anuradha Mago

Dear Readers,

- 1. A joyous, healthy, fruitful Happy New Year to you and your loved ones.*
- 2. The last quarter has witnessed a plethora of eclectic and fun-filled activities at Navy Children School, Primary Wing, NSB. We strive to allow every student to express himself through the various activities in our planned curriculum. Our students' smiles and happy faces motivate us to keep going. The E-newsletter is one platform for exhibiting our children's budding talent in all fields.*
- 3. The little hands have proved beyond expectations that they can do wonders. We educators, being facilitators, always encourage each child to bloom in their chosen garden of interest. I am sure our students will always thrive and shine.*

May the year 2023 be the harbinger of happy times.

Warm Regards

Anuradha Mago

(Mrs. Anuradha Mago)

Headmistress
