Respected Phandana Ji,

I have the honour to convey my gratitude to show your motherly blessings on my ward Master Vichasank Singh Manhas of 3A class. These are the real traits of a good teacher to always remain in the support of the students in the class. I am really grateful to your goodness to always remain available for the support of my ward. Many times I might have disturbed you to send me the work done in the class as he lacked behind to get the same notes down in the class.

I pray to the almighty Shri Ram Ji to show the blessings on you and your family.

Sincerely yours,
